## COURSE TITLE

### Highway Performance Monitoring System: An Introduction - WEB-BASED

The goal of this FREE online presentation is to promote interaction and collaboration between traffic monitoring program staff and HPMS coordinators. FHWA's Office of Highway Policy Information created this presentation to help ensure that HPMS data needs are met with the existing traffic monitoring program or adjustments to the program.

Please note that the Flash Player must be installed on your computer in order to view the presentation.

## OUTCOMES

Upon completion of the course, participants will be able to:

- Describe the traffic monitoring program
- Describe HPMS data requirements that can be met by the traffic monitoring program
- Explain the interconnectivity and interdependency between the traffic monitoring program and HPMS
- Identify ways to make the best use of available funding to meet users' data needs

## TARGET AUDIENCE

Federal and State department of transportation specialists, planners, designers, and administrators who are responsible for collecting traffic data and using vehicle classification data for HPMS programs and other statewide programs. Local transportation agencies, as well as those who are new to the traffic monitoring and HPMS programs, may also find this presentation to be interesting and helpful.
