The Federal Highway Administration’s (FHWA) National Highway Institute (NHI) has launched its new Blackboard® Learning Management System (LMS)! This new LMS provides a more interactive and user-friendly platform, offering easier access to course information, simplified course registration, transcript viewing, and online management of profile information and passwords. The launch of the Blackboard® LMS will include 20+ Web-based Training in a variety of program areas:

- Earth Engineering Fundamentals
- Introduction to LRFD for Foundation Design
- Earthwork Series: Grades and Grading
- Earthwork Series: Excavation
- Earthwork Series: Fill Placement
- Future Sea Levels for the Design of Highways in the Coastal Environment
- Waves for the Design of Highways in the Coastal Environment
- Water Levels for the Design of Highways in the Coastal Environment
- Sediment Processes for the Design of Highways in the Coastal Environment
- Plan of Action (POA) for Scour Critical Bridges
- Stream Stability Factors and Concepts (Prerequisite)
- Scour at Highway Bridges: Concepts and Definition (Prerequisite)
- Basic Hydraulics Principles Review
- Hydraulics Toolbox
- Culvert Hydraulic Analysis and Design Program (HY-8)
- Roadway Interactions with Rivers and Floodplains: Basic Concepts
- Flagger Training
- Planning for TSMO Intro
- Intro to Performance Measurement
- Transportation Performance Management Overview for MAP-21 and Fast Acts
- Implementing Performance Based Planning and Programming
- Micropile Design and Construction
- Real Estate Acquisition under the Uniform Act: An Overview
- Intro to NEPA and Transportation Decision making
- Administrative Record
- Basics of Transportation Planning
- Highway Research 101: Administering the FHWA Highway Research Program
- Principles and Tools for Road Weather Management
- Student Orientation for Blackboard

Register for Blackboard today by creating an account at [https://fhwanhi.geniussis.com](https://fhwanhi.geniussis.com)!

Registration instructions vary depending on whether the learner is a non-federal or a federal employee user. NHI has provided an Account Creation Instruction Guide to help navigate the account creation process, the user dashboard, and course registration. For users experiencing challenges with the LMS platform, please contact the Blackboard® support helpdesk located on its homepage to assist with any system errors.
