

## LIST OF CURRENT NHI CONTRACTORS

The FHWA Office of Acquisition and Grants Management awards contracts to support the National Highway Institute for the development, update, and delivery of instructor-led and/or distance learning courses in the area of transportation. Specific training subject areas and the respective contractors currently instructing those courses are listed below. Questions about supporting NHI under these existing contracts should be directed to one or more of these vendors. This public notice is for informational purposes only and is not an endorsement of any of the entities listed.
